Union Carbide, a chemicals firm, has a link to information on the deadly Bhopal gas leak in India on its home page, for example. By telling stories from the heart, these roles start to fall away and what is revealed are the parts that are true for all, the threads that connect us to something greater than our individual selves. When members of a family business take the time to share stories and memories with one another, it gives them a chance not only to be seen and heard as individuals as opposed to their fixed roles, but also to feel more deeply connected to each other and to the larger family.
