The high level of handling increases the potential for product to be contaminated by microorganisms in the environment. Come si diceva, la natura disdegna gli intrusi, per questo li atterrisce con visioni esorbitanti. It was an optional war, easily won as these things go, that will lead to the likelihood of more terror, greater instability, fractured alliances and abiding anti-Americanism that will plague the world's hyperpower, and its friends such as Canada, long after it has "solved" the Iraq problem by ill-chosen means.
